PROPERTY DESCRIPTION BY Miss Molly Scruton

This well-presented four-bedroom detached townhouse offers spacious and versatile accommodation arranged over three floors, making it an ideal home for modern family living. The ground floor is thoughtfully designed, with a welcoming entrance hall leading through to a bright and generously proportioned sitting/dining room. This space provides the perfect setting for both everyday living and entertaining, with ample room for a full suite of furniture. To the rear, the kitchen is well-appointed with a range of units and generous worktop space, flowing seamlessly into the conservatory. This additional reception area enjoys a pleasant outlook over the garden and creates a light-filled, sociable space that can be used throughout the year. A convenient cloakroom completes the ground floor.

On the first floor, the main bedroom is particularly well-proportioned and benefits from its own en-suite, creating a comfortable and private space. Two further bedrooms are also located on this floor and are served by a modern family bathroom, offering flexibility for family living, guests or those working from home.

The second floor provides an additional spacious bedroom, ideal as a guest suite, teenager's room or even a home office, adding further versatility to the accommodation.

Externally, the property continues to impress with driveway parking leading to a garage, which has been extended to the rear to create a highly useful additional space. This extension offers excellent versatility, whether used for storage, a workshop or potential hobby space. The rear garden is private and enclosed, providing a great setting for outdoor dining, relaxing or family use.

Further benefits include an electric vehicle charging point, a modern and increasingly desirable feature for today's buyers.

Situated within a quiet and established residential setting, this home combines space, flexibility and practicality, making it a fantastic opportunity for a wide range of purchasers.

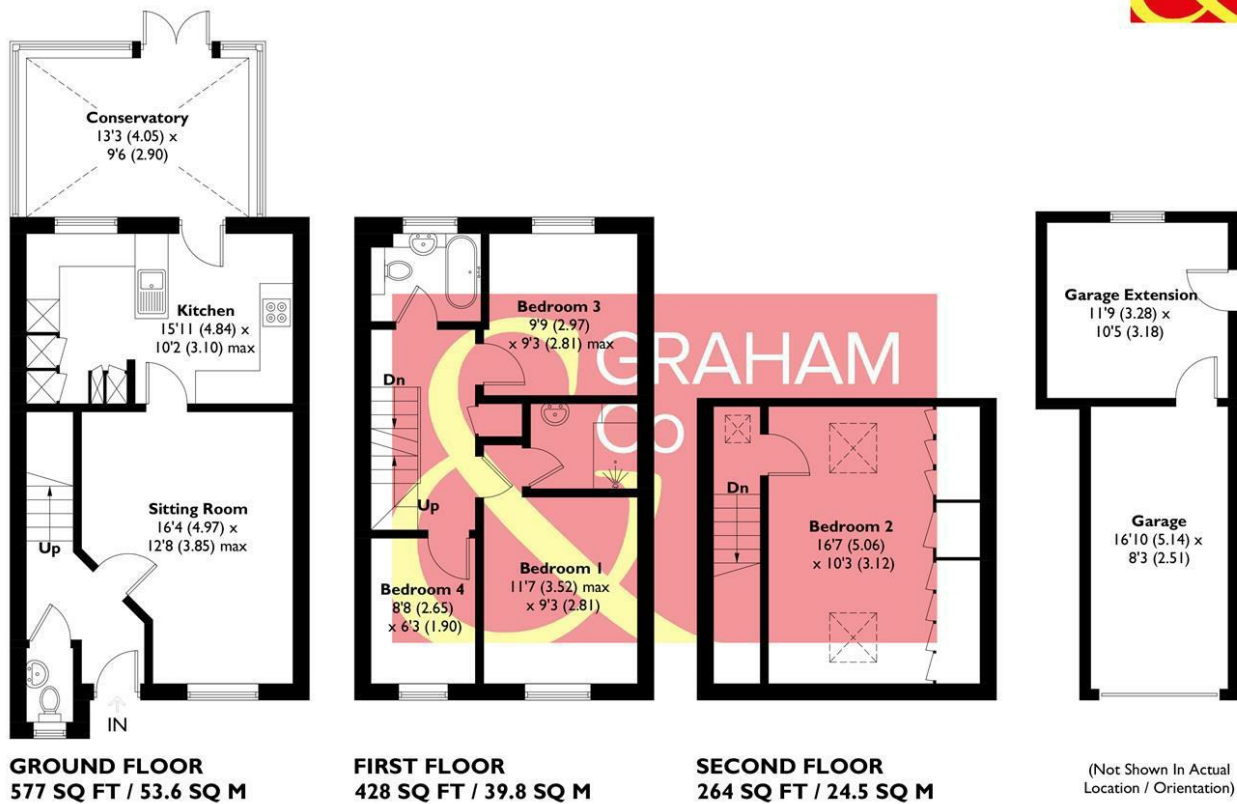

Andover offers a good range of shopping and recreational facilities including a theatre, cinema, new leisure centre, excellent selection of schools and a college for higher education.
